

Week 8 - Session 4 - Fish Unit

Goals

All Fish Unit Resources for the week can be accessed on our [Parent Resource Page for the Fish Unit](#).

Let's take a virtual field trip! Children can look forward to traveling to Scottsdale, Arizona to visit the Odysea Aquarium. Our tour guide Blippi will be helping us learn about different types of fish and sea creatures. Your child can also look forward to making their own aquarium using recycled items.

Activities & Resources

- **Let's take a Field Trip** - Pack a bag lunch, find a screen and let's take a ["field trip to the aquarium!"](#)
- **Make your own aquarium!** Grab an old shoe box or a cereal box and ["make your own aquarium"](#). Materials needed: markers, paper, glue, and a cardboard box.
- **Pouring Work:** Your child is invited to receive a lesson on "pouring". [Check out this BMS resource](#). This wonderful practical life activity serves a great purpose in aiding in your child's independence.
- **The Fish Song:** Let's move and groove like a fish while learning about them! Children are invited to follow along with the ["The Fish Song"](#) and learn some fun facts.
- Camouflage - Some fish disguise themselves to hide from predators and stalk their prey. Check out this fish who holds the title for ["World's Best Camouflage Fish"](#).
